UNDERSTANDING & AUTHORIZATION
--

I certify that all of the information furnished on this application is true, complete, and correct. I understand and agree that any falsification, misrepresentation, or omission of fact either on this application or during the pre-hire process will be reason for (1) my not being offered employment or (2) dismissal at any time from the service of the Company if employed.

I understand and agree that my employment and compensation is at will and may, regardless of the time and manner of payment of my wages and salary, be terminated at any time by me or the Company, with or without cause, and without any previous notice. I also understand and agree that the Company has the right to unilaterally modify and/or terminate any policies, practices, procedures, and standards it has adopted or implemented, to the extent not limited by law or the contract between the parties. I acknowledge that no Company employee or representative has either the power or authority to enter into any agreement for employment for any specified period to enter into any agreement for employment for any specified period of time, or to make any representations or agreements contrary to any of the foregoing, unless that agreement is in writing and signed by an Authorized Member of the Company. I understand that any prior representations, promises, contracts, or statements made by or on behalf of the Company are expressly superseded by the foregoing, I also understand that if I change my employment from working for the Company to working for another company which is a parent, subsidiary, or affiliate of the Company, or which is controlled by, controlling, or under common control with the Company, the terms of this Application will control my employment with the other Company unless there is a written agreement contrary to the terms of the Application, signed by the authorized Member of the Company, or if I sign an Application for the other Company. This paragraph applies unless an employment agreement or other covenant exists containing conflicting terms, in which case the conflicting terms of the employment agreement or covenant will control and all other terms will be enforceable.

I authorize a thorough investigation of my past employment, agree to cooperate in such investigation and release all persons from liability and responsibility requesting or supplying such information.

I understand that according to federal law, all individuals who are hired must, as a condition of employment, produce certain documentation to verify their identity and citizenship, or if aliens, their legal authorization to work in the U.S. As a consequence, I understand that any offer of employment would be contingent on my ability to produce required documentation within the time period required.
